Daytona Beach DUI Lawyer Fleming K Whited III is a featured guest speaker at the 15th Annual National Association of Criminal Defense Lawyers in Las Vegas from September 15-17, 2011. The 3-day seminar will be held from 8am-1pm at Caesars Palace Hotel, Resort and Casino. The theme for this year's NACDL conference is DWI Means Defend With Ingenuity. The program consists of presentations by leading DUI defense attorneys and specialists from across the country, as well as a selection of workshops for small group, intense, and focused learning in the areas you need the most help.

Mr. Whited will present a lecture on Friday September 16th. The theme for Mr. Whited's presentation is titled Winning At Every Level. Interestingly enough this is also the theme of the conference. Mr. Whited was gracious enough to allow the NACDL to use the title of his presentation. The presentation was born out of the need to critically analyze every aspect of a DUI case from start to finish. The three main parts to a DUI trial; Voir Dire, Cross-Examination and Closing Argument are covered with the goal to determine the most effective way to be as persuasive as possible. Mr. Whited will also lead a break-out session where he will present the most important DUI cases decided in the United States in the past year.

Flem Whited is a founding member and former Dean of NCDD, the author of DUI Defense-Florida (Revere Legal Publishers), the Drinking/Driving Litigation Trial Notebook (Thomson Reuters), co-author of Drinking/Driving Litigation (Thomson Reuters), and he writes the Drinking/Driving Law Letter (Thomson Reuters). These publications continue to be the most comprehensive and authoritative works covering alcohol related issues in the U.S. Mr. Whited is Board Certified by the ABA & NCDD in DUI/DWI Defense, and has lectured on DUI issues at over 150 hundred seminars in more than 30 states and 4 foreign countries. The Orlando Sentinel's Florida Magazine branded him "The Drunken Drivers Best Friend". Mr. Whited's clients include lawyers, police officers, political figures, professional athletes, and entertainers.
